As you know, Heavenly is more than just another ski area... it's one of the most complete ski and snowboard destinations in North America. Our unique combination of California sunshine, deep snowpack, spectacular views, vast mountain, and world-class nightlife provide a winter vacation unlike

any other. In addition, the town has a combination of over 150 restaurants, pubs, casinos, and night clubs to keep the action going long after the mountain has closed for the day.

From intense competitions and events to the return of the half-pipe, there is a lot to get excited about this season at Heavenly. Unbuckle, North America's number one après ski party, is back and those looking to elevate their game off the mountain will have seven opportunities per week this year to perfect their dance moves. Unbuckle at Tamarack Lodge is Lake Tahoe's highest elevation après ski party featuring music, half-off drinks, dancing, and the lovely Heavenly Angels – skiers and riders by day and go-go dancers when the sun dips below the mountain tops. The party takes place from 3:30-5:30 p.m. every night. Also on the food and beverage side, Heavenly has re-imagined the menu and experience at Booyah's Exotic Burgers & Brews inside Lakeview Lodge and has created the ultimate on-mountain guy's (and girl's) hangout. Flat screen televisions will dot the landscape while friendly waitresses provide table service featuring made-to-order gourmet burgers and a ridiculously huge selection of well-priced microbrews.

On behalf of Heavenly Mountain Resort, I would like to thank you for your interest in joining us for the 2012/2013 Winter Season. Please feel free to contact us with any questions or concerns you may have. We look forward to seeing your group up on the Mountain this year!

Sincerely,

Ashley Rojas
