Coaches

The role of a Meteors Coach is very important. Meteors coaches are hand-selected from our current staff, based on their skiing/riding backgrounds, their passion and experience working with children.

Building children's self-esteem and confidence through sports is one of our fundamental goals. In addition, we teach and encourage proper slope etiquette and mountain safety. Our aim is to foster good behavior while enjoying and nurturing a passion for winter sports. We ask you to help us in this mission by supporting the program rules and boundaries.

Thank you!

We look forward to seeing you and your family on the slopes!
